## PROFESSIONAL EXPERIENCE

### 1) **Gyanmanjari Innovative University-GMIU** **Bhavnagar**

Full stack Developer | JUN-2025 - Present

- Proud to join the IT Cell at Gyanmanjari Innovative University as a Web Developer. My role involves managing and maintaining all university websites, ensuring optimal performance, security, and user experience across platforms. I'm responsible for both backend and frontend development, content updates, technical troubleshooting, and enhancing web functionality to support academic and administrative goals. Also manage aws platform.

### 2) **Ramanshee Infotech** **Bhavnagar**

Software Trainee | NOV-2024 - May-2025

- Training in ASP.NET web application development, MySQL, and MVC.
- Gaining hands-on experience in building robust web applications.
- Expanding knowledge of software development and related technologies.
- Redesign the Ramanshee infotech Single Page To Multi Page Design

### 3) **Dcycle Design Studio Pvt Limited** **Ahmedabad**

Frontend Developer | September 2023 – March 2024

- Developed frontend using HTML, CSS, SCSS, JavaScript, Tailwind CSS, and Bootstrap.
- Gained backend experience with Python, Django, and Wagtail frameworks.
- Used PyCharm for development and managed version control with Git and GitHub.
- Strengthened skills in both frontend and backend technologies.

### 4) **Ramanshee Infotech** **Bhavnagar**

Summer Internship | July 2023 – August 2023

- Developed a responsive e-commerce frontend for selling baby plants using HTML, CSS, and JavaScript.
- Designed and implemented user-friendly login and signup forms.
- Focused on UI design, front-end development, and enhancing user experience.
- Built the project using VS Code, improving web development and client communication skills.
